For more details pls. refer to :

[www.ariudine.it](http://www.ariudine.it)

The whole demonstration will be updated every day with informations and explanations for a correct development of the award.

The on line log is frequently updated.

The contribution paid by the participants will be utilized exclusively for the operations related to the demonstration. The balance (net , real expenses excluded) will be assigned as benefit to the TELETHON foundation as by tradition of this section. Therefore we expect a great participation of the community of radio amateurs at this demonstration in order to give their own contribution to the research of genetic diseases.

The informations regarding the development of the whole demonstration will be published on the magazine Radio Rivista and on the site of the Section at the end of the award.

For all not expressly specified in the award rules and in case of possible contentions the general norms of the demonstration regulations, as well as the common sense will be applied.

**NOTE:** To accept the various requests from those who for different reasons could not participate to the award of the 50<sup>th</sup> anniversary of PAN, the links established during the award “ PAN: from G. 91 to MB 339” will be valid also for the achievement of the award for the 50<sup>th</sup> anniversary of PAN, at the conditions of the rules applied on that occasion (magazine : Radio Rivista , Sept. 2010) also available on site [www.ariudine.it](http://www.ariudine.it).

For further information pls. refer to [iv3um@ariudine.it](mailto:iv3um@ariudine.it).

Any decision of the organizing committee will be definite and irrevocable.
