The qsl of **II3PAN** is still being finalized and we will try to enrich it with new interesting information regarding PAN as done in the previous edition. The organizers intend to realize this edition with attractive graphics, on more pages, and with a certainly memorable result, should the sponsor give his disposability. **We as ARI Section of UDINE want to respect and protect the environment as well. Therefore, we decided to print this QSL on certified paper coming from forests managed in a sustainable and responsible way.**

The developments..will be announced on the site of the section.

**NOTES:** In order to facilitate and speed up the operations of posting the award as well as the qsl it will be necessary to observe the following :

- **via Bureau:** all qso's sent will receive the qsl of confirmation through ARI , even if not requested. To avoid overloading of work to the qsl bureau of the association , pls don't send qsl's for the special station; the confirm of the qso will arrive automatically.

Requests not meeting above notes will not be accepted. We don't reply by e-mail to requests of qsl.

The stations iq3, iv3, iw3 and IV3/"call" of the region FVG participating at the radio demonstration as stations assigning points will get a free-of-charge certificate of cooperation when they reach at least 270 qso's made with sole Italian calls. Log to be sent by e-mail to [iv3ium@iv3ium.it](mailto:iv3ium@iv3ium.it).

For more details pls. refer to : [www.ariudine.it](http://www.ariudine.it)

The whole demonstration will be updated every day with information and explanations for a correct development of the award.

The on line log is frequently updated.

The contribution paid by the participants will be utilized exclusively for the operations related to the demonstration. The balance (net , real expenses excluded) **will be assigned as benefit to the TELETHON foundation, as by tradition of this section.** Therefore we expect a great participation of the community of radio amateurs at this demonstration so that they may give their own contribution to this research of genetic diseases.

The development of the whole demonstration will be published on the magazine Radio Rivista and on the site of the Section at the end of the award.

For all not expressly specified in the award rules and in case of possible contentions the general norms of the demonstration regulations, as well as the common sense will be applied.

**NOTE:** To accept the various requests from those who for different reasons could not participate at the award of the 50<sup>th</sup> anniversary of PAN, the links established during the award of the “ **55<sup>th</sup> anniversary of PAN**” will also be valid for the achievement of the award for the 50<sup>th</sup> anniversary of PAN, following the conditions applied on that occasion (see: Radio Rivista, Sept. 2010) also available on site [www.ariudine.it](http://www.ariudine.it).

The requests will have to be sent as specified by the regulations. For further information pls. refer to [iv3ium@iv3ium.it](mailto:iv3ium@iv3ium.it).

Any decision of the organizing committee will be definite and irrevocable.
